

Press Release –

Thunder Bay Community Health Service, Inc. - Rogers City Health Center 08-08-17

Thunder Bay Community Health Service, Inc. held an Open House on August 8th to celebrate our recent expansion at the Rogers City location located at 205 S. Bradley Hwy.

The expansion of 7,000 square feet brings our facility to 15,000 square feet. The additional space gives us the opportunity to provide additional services for our patients such as a full Optical Department, diagnostic X-ray services, and Retail Pharmacy which is open to the public. We are also excited to add additional medical exam rooms for our new physician Dr. Manual Hernandez who begins his practice in Rogers City on August 21st. He will be joining Dr. Marion Hautea, Jill Barsen, PA-C, Cori Williams, FNP-BC, Erin Meehan-Amo, PA-C, Amanda Allen, FNP-C. Specialty services such as Cardiology, Orthopedics, Pulmonology, Obstetrics, Nephrology, Substance Abuse Counseling and Diabetes Education are now available through collaboration with Mid-Michigan Health, St. Clair Nephrology, Mercy Health, and Catholic Human Services.

Thunder Bay Community Health Service, Inc. has been providing comprehensive health care services since 1982, beginning with the first clinic in Hillman. Thunder Bay now operates six health centers and offers medical, pharmacy, dental, behavioral health, and optical services to approximately 16,000 patients with locations in Hillman, Atlanta, Rogers City, and Onaway, as well as a health center within the Onaway and Cheboygan Community Schools. TBCHS also provides behavioral health service in 14 area schools in northern Michigan. Thunder Bay operates three in-house Pharmacies which are open to the Public in Rogers City, Atlanta, and Onaway locations.

Thunder Bay Community Health Service, Inc. has established an excellent record of providing high quality, reliable, and compassionate care in Northern Michigan throughout our 35 year history. We are committed to breaking down the barriers that prevent people, including the underserved, from seeking high quality healthcare. We are proud to be recognized by the National Committee for Quality Assurance as well as Blue Cross Blue Shield of Michigan as a Patient Centered Medical Home. This nationally known recognition exhibits our commitment to providing high quality care tailored to the needs of our patients and communities. We are proud of this achievement and tribute it to the dedication and hard-work of our staff to always put the patient and their health concerns at the forefront of the services that we provide.

“The staff and I are very excited to expand our services to meet the needs of the community” says Michelle Styma, CEO. Thunder Bay Community Health Service, Inc. commits its resources to building healthier communities. TBCHS is accepting new patients at all locations.
